GENERAL INFORMATION

SEE WEBSITE FOR ALL DETAIL AND INFORMATION; INCLUDING INK LIST

Blankware - is generally available (in catalog quantities) for shipment within 24-48 hours from receipt of your order.
Cancellations - If an order is cancelled during any stage of production, a $25(z) charge plus all costs incurred prior to receipt of cancellation notice will be invoiced.
Catalog Imprints & Photos - Imprinted logos shown in this catalog appear only to show the ability to include messages/ advertising on our products.
Custom Quotes - There will be no charge for quoting custom sewn items that are similar in design to products offered in our line with changes to size or materials. Other custom quotes will be subject to a fee of $25(z). Custom sample requested will be subject to a minimum fee of $35(z) plus cost of materials.
Imprint Color Changes - Are available within a run. Ink color changes will be subject to full case lots and screen wash up charges will apply. Imprint must remain the same.
Imprint Registration - A tolerance of 1/16" in any direction must be allowed. This tolerance meets industry standards and will be considered acceptable.
Order Quantities - All items must be ordered in full case increments. Orders not in full case increments will be increased or decreased to the closest full case lot.
Overruns and Underruns - All one color imprint orders are subject to a variance of 5% over or under and will be considered as fulfillment of the order. Multicolor imprints, 10% plus or minus will be considered acceptable. Orders specifying no overruns are subject to short shipment of up to 10%. Orders specifying no underruns are subject to over shipment of up to 10%. Orders specifying exact quantity will be charged $25(z).
Payment Terms - Cash in advance, including estimated freight, unless prior credit arrangements have been made. Cash orders are considered incomplete until full payment is received. MasterCard and Visa are acceptable for any order. C.O.D. orders are not accepted. A service charge of 1-1/2% per month (18% APR) will be charged on accounts over 30 days past due.
Phone/Fax/Email orders - We will not accept any order by phone. We will accept orders sent by email to art@customcrest.com. Email Express orders to express@customcrest.com.
Prices Subject to Change - All pricing is subject to change without notice.
Product Capacity/Size/Color - All product capacities, sizes, weights & specifications are approximates and subject to change without notice.
Production Time - Production time begins after approved credit terms or payment is received and all order/art questions are answered. Any revisions, credit problems or circumstances beyond our control may delay the scheduled ship date. Upon receipt of approval in writing, these orders will be scheduled for normal production time.
Random Samples - are generally available for all of our products. Random samples cannot be returned for credit.
Returns - All claims must be filed within 30 days of shipment and must have return authorization number assigned by factory. Any returns without prior factory authorization will be refused. Returns for credit or adjustment are subject to quality inspection by factory. Credit or adjustments will be allowed only for that part of the shipment found to be of unacceptable quality (as determined by the factory). For lock bags, any returns beyond 30 days will require return authorization number and must be returned freight prepaid. Upon receipt product will be inspected and if found to be normal wear & tear, repair charges would be applicable to any repairs made.
Terms, Conditions, Legalities - Factory accepts orders as being in full compliance with all applicable laws and in full awareness and agreement of Custom Printing General Pricing, Shipping Information & Policies as set forth in this catalog. Customer represents that the copy to be imprinted on the items ordered will not violate any laws regarding trademark and/or licensing infringement. Customer agrees to hold harmless and defend Custom Printing line from and against all claims and expenses for any copyright, trademark, patent or other infringement claimed or incurred in connection with the order or catalog display of the imprinted items ordered. On some logos we may require a letter of authorization for use of the logo. To prevent any delays in processing, please send with order a letter on your client's letterhead indicating their authorization to use the logo. Products in this catalog may be patented, have patents pending or be subject to various copyright and/or property rights of CPI and/or it's owners and principals. These products may not be reproduced in any way (in whole or in part) without express written permission from CPI.
Ware Quality & Care - Glass & Ceramic: due to inherent properties, small imperfections may be evident on some pieces that do not diminish the effectiveness or appeal of the product and will be considered normal & acceptable quality. Variations in materials, firing temperature, glaze and ink pigments may result in variances in glaze, imprint color & appearance; which must be considered acceptable. Size and color variations within reasonable tolerances may occur within an order or from order to order. Glass & ceramic products are tested for food use and can be used in complete confidence. Foam products: Light foam colors tend to discolor in less time than darker colors. For best results, factory recommends using darker foam colors with lighter color imprints. Foam products may vary, within reasonable tolerances, in thickness or size and may vary within an order or from order to order. No returns or discounts will be allowed for discoloration or thickness of foam. Plastics: Igloo® products are known for their quality construction and materials. Due to circumstances beyond our control, features may change from order to order. All Igloo products are backed by Igloo's 5 Year Product Warranty against material and workmanship defects. Warranty replacements will be unimprinted. Sewn Products: Materials may have slight variances within an order or from order to order with regards to fabric dye lots (color), weight or size of finished product. Fabric care- For Poly-Cotton Twill & Cotton Duck, if washing is necessary, we recommend hand washing in cold water and line dry. DO NOT BLEACH. Tex-O-Leather, Sierra, Clear vinyl & Other Materials- wiping with soft cloth using warm water is recommended. Stainless Steel items with plastic liners: These items are NOT DISHWASHER SAFE. The use of dissimilar materials, stainless & plastic liner, may cause expansion & contraction if washed in dishwasher allowing water to become trapped between the walls of the mug. Home/Office and Leisure items are decorated using pad-printing processes. Molded plastic materials vary in color in the manufacturing process. Plastic accent colors may not be exact matches with ink colors used in the decoration process. Candles can be dangerous products and common sense should be used when burning them. Follow all directions on the warning labels. "Candle will be hot do not touch wax or flame. Keep burning candle within sight. Keep

out of reach of children and pets. Never burn candle on or near anything that can catch fire. Discontinue use when 1/4" of wax remains." Wicks contain zinc core for stability and DO NOT contain any lead or lead by-products. In container candles room temperature changes may cause the wax to pull away from the container. This is normal and is not a manufacturing defect.

Art Charges - Camera ready art should be submitted. Unless you specify exact sizing and placement or state "use maximum size", we will process at factory's sole discretion. If touch-up, typesetting or other artwork is required it will be invoiced at a cost not to exceed $25(z) without notification. There is a $20(g) charge per color to color separate art. Customer requested revisions to completed artwork will be subject to a minimum revision charge of $20(g) and may require rescheduling of ship date. Normal production times apply after completed artwork is received and approved.

Copy Change Charges - There will be a $30(g) charge for each color that requires changing. If more than three lines of straight-line copy require changing, new screen charges will apply. If both item and copy are changed, new screen/setup charges will apply.

Distributor Overrun Charges - There will be a $3(z) handling charge, plus item and applicable shipping charges for distributor overruns.

PMS Charges - PMS color matches available, but not necessarily an exact match, for color matching there will be a fee of $30(g). Not all colors may be matched on all items.

Proof Charges - Available upon request for a fee of $15(g). Production will not begin or be scheduled until the signed approval of the proof is returned. When placing an order that is date critical and a proof is required, ample time must be allowed for the proof production and approval process or rush charges may apply to full order.

Repeat Orders - No screen charge for the exact repeat (except on sublimation, Lasercrest & sewn product orders) of an order within two years. If it has been more than two years regular screen charges will apply and new artwork will need to be submitted. Setup charges for sublimation, Lasercrest & sewn items will apply in full.

Rush Orders - Rush orders will be accepted as factory production schedule allows. See Website for Detailed Information.

Screen Conversion Charges - If the exact same design is used on a different item, there will be a $30(g) conversion charge per color. If both item and copy are changed, new screen charges will apply. Does not apply to sublimation or Lasercrest.

Screen Wash-Up Charges - A wash-up charge of $6.50(g) is effective for each change in ink color within a single order.

Spec Sample Charges - Spec samples are billed at standard screen charges per color plus item charges at Catalog End Quantity Pricing. Spec sample charges will be applied to screen charges on initial order if no change is made to artwork. Because of differences in manufacturing conditions, a slight variation in imprint color and appearance between sample and production run is considered reasonable and must be considered acceptable in fulfilling your order.

California Shipments/Proposition 65 - California does not recognize the Federal Standards, choosing instead to enforce its own standards as defined in the "Safe Drinking Water and Toxic Enforcement Act of 1986" often referred to as "Proposition 65". This legislation applies only to California and does not ban any product; it simply requires use of warning labels. Proposition 65 warning labels will be applied to the shipping carton at no cost for all shipments going into California with written instructions on the purchase order. If any distributor or end user knowingly or unknowingly sells product distributed into the state of California and does not inform CPI in advance, in writing, prior to production of the order, the distributor or end user will hold CPI harmless from all liability for alleged Proposition 65 violations. It is the responsibility of the distributor to notify the factory (Custom Crest) in advance of shipments going to; or that may end up in the state of California. All mug/glass orders going to California will be limited to a one (1) color only with specific ink color options. See website. Does not apply to 4-color process.

Drop or Split Shipment Charges - There is a $10(g) charge for each drop or split shipment after the first address shipped to. Freight Charges - All shipments are F.O.B. our factory in Belton unless factory states differently. Unless otherwise specified on you order, shipments will be shipped prepaid and the shipping charges added to your invoice. A 5% service charge along with additional shipping & handling fees will be included in shipping charges. Shipments added to a residential address will be subject to any service charges applicable from the carrier. Please state on your order if shipment is being sent to a residential address. Residential shipping fees will be invoiced separately if factory is not informed of residential delivery prior to shipping. Any accessorial charges not noted on PO will be charged separately-this includes, but is not limited to, inside delivery, address corrections, etc. Any additional cost assigned to shipments by freight company due to address corrections or incorrect account numbers will be billed to distributor.

Freight Claims - For mug and glass shipments carried via UPS, Federal Express or FedEx Ground that are eligible for the Superbox, CPI will file claims only if the Superbox is ordered. Claims for freight adjustments, breakage or delays in transit must be filed with the carrier within 15 days. Freight carriers will not pay any claims for damages or shortages unless the delivery receipt is notated as such at the time of delivery. For UPS shipments, you must contact local UPS office at place of delivery for damage inspection prior to notifying factory. Factory will then process claims after the on-site inspection has been completed.

Freight Quotes - Freight estimates may be obtained by calling factory, but they are not guaranteed. All freight charges will be billed in full and are the responsibility of the buyer. Customer must advise factory of any special requirement i.e., inside delivery, residential, floor loading etc., in order to acquire an accurate freight quote.

Third Party & Collect Shipments - Collect shipments and shipments billed to a 3rd party account will be accepted with a valid account number and will incur a handling charge of $10(z) per shipment.

Quickship Service - We ship on time or it is FREE! See Website for Detailed Information & Guidelines

Product Safety Information - All products offered for sale by CPI are commonly recognized as intended for general use by consumers and not intended primarily for children age 16 or under. CPI does not advertise or market any products intended primarily for children age 16 or under. Therefore, all products manufactured for sale are excluded from the requirements of the CPSIA. No CPSIA reporting, testing, or labeling requirements apply to the products CPI produces or sales. It is the distributor's responsibility to notify CPI in advance of shipments that are marketed or intended for use by children under the age of 16. The distributor and end user holds CPI harmless from all liability for alleged CPSIA violations, including all costs associated with defending any legal claims due to CPSIA violations.
